

# SPINNING WHEELS

November 2015

## Vaughan Earth Hour - March 19, 2016

Imagine riding in a group after the sun has set, with a swarm of beaming bike headlights illuminating the path in front? Join us for the night ride is scheduled for 8:30pm-9:30pm on Saturday March 19 - one of Vaughan's Earth Hour activities. The ride will start off from City Hall in Maple, 2141 Major Mackenzie Drive, traverse through neighbouring subdivisions at a gentle pace and return back to City Hall. Riders must wear a helmet, and bikes are required to have a working front and back light. Rumour has it there will be some nifty tire lights (fireflies) given to all participants. Bring family, bring friends, bring your bikes.

Drop by Vaughan BUG booth to say hello. Further details will be confirmed and sent out closer to the date.

**Happy pedaling.**

## Pedestrian-Cycling Task Force for Vaughan - Update

Sahra Nalayeh and Mark Inglis and Councillor Alan Shefman.

Councillor will be represented on the Task Force. Required for completing the group will be three staff, two members of Vaughan BUG and two members from the community, including one senior. The City will advertise for applications. Duration: January to December 2016.

## Clark Street Path

A multi-use trail was approved by council to be constructed on Clark Street in Thornhill. It will connect Highway 7 with the Promenade. The trail guidelines suggest 2.4m wide asphalt within the boulevard. The chart below shows the Pedestrian and Cycling Master Plan Goals.

## Meet Your New Execs

Sahra Nalayeh and Diana Lee were announced as Chair and Vice Chair of the Vaughan BUG executive. They join Marianne Coulon, secretary to form the 2016 Board.

Facility Type	Distance (km)			
	Existing	Proposed
